

1994 New Mexico Racing Series

The New Mexico Racing series (it's not just for Masters anymore!) this year is again a cooperative effort of several NM USCF clubs. Each club will be sponsoring one or more of the eight events in the series. This year's events are as follows:

Each event starts at 9:00 am except the Las Cruces RR, which starts at 11:00 am, and the UNM Criterium which will have separate start times for each race.

These are training races for your benefit. There is no prize list!
Please help the officials by noting and reporting your relative finish in each race!

For each event, there will be four races as follows (1=Elite, 2=Expert, 3=Sport, 4=Intermediate, 5=Beginner):

Race	A	B	C	D
Age	Open	Open	Open Women; 40+ Men	Open
Categories	1,2,3	3,4	2,3,4 ; 3,4	5 & Citizen

Overall series championships will be based on points garnered from each event. Points will be awarded to 1st through 10th place as follows: 21, 16, 12, 9, 7, 6, 5, 4, 3, 2; all remaining riders to finish will receive 1 point. Older riders may ride and accumulate points in a younger age group, but not vice versa. Points will be accumulated by age group for each race ridden; e.g. if you are 44 and finish four B races and four C races, you will have points in both series. There will be recognition for series champions in sixteen classes based on gender, age, social stature, and phase of moon as follows:

Race	Classes					
A	Boys	Men (30+)				
B	Boys	Men (30+)				
C	Girls	Women 30+	Women 40+	Women 50+	Men 40+	Men 50+
D	Girls	Women 30+	Boys	Men 30+	Men 40+	Men 50+

(You must ride at least 5 of the races to be eligible for recognition)

The entry fee for the series (or remaining balance of it) is \$50 if preregistration is received by June 16th. Entry fee for each individual event is \$10 if received by the Thursday prior to that event. Entries on event day are \$15 and registration will close 1 hour prior to the event start. Use the Standard Athlete's Entry Blank & Release Form (page 127 in your Rulebook) to preregister for the series or individual events. A separate release form is required for each event (sorry, USCF rules). To expedite sign-in and registration on race day, **each rider should bring a completed release form to each event.**

Send preregistrations to: **Cliff Loucks, 23 Ridge Dr., Cedar Crest NM 87008**
 Make check payable to: **NM Racing Series**

The fee structure is intended to induce you to preregister for these events.

This makes our jobs *much* easier and minimizes your hassle on race day.

Please preregister and bring a completed Release Form to each event!

Forget your license and you're in the D race!
